

CANADIAN SOCIETY OF CINEMATOGRAPHERS  
*Fostering Cinematography*

Are you graduating from a film or cinematography course and love the idea of becoming a professional cinematographer?

## Join our Mentor Program

### **The Canadian Society of Cinematographers**

was founded in 1957 and has grown into a mature organization with over 350 cinematographer members. Our purpose is to foster the art and craft of cinematography and we want to help you find your bearings and build relationships in this competitive world of camerawork.

**Join us as a *Student Member* and we will enrol you in our *mentor program* and hook you up for a meeting to pick the brains of an established cinematographer for career advice, technical tips and/or anything else you can coordinate with them.**

**This is a one-time offer that comes with every *Student Membership*.**

Check us out at [the CSC website](#)

Our mandate supports a full agenda of training, education, and dissemination of the latest in technical and product information, as well as a **fabulous awards competition** every year.

Come on board and find out more about the wonderful world of cinematography.

You can download our [Membership Application Form](#)  
CSC administrative staff will be pleased to answer any question about membership if you phone the office (416-266-0591) or send a [query via this online form](#).
